

## Hazardous Materials Instructor Certification

**DATE:** April 18-21, 2011

**LOCATION:** Bakersfield, CA

Do you want to help your agency deliver State certified Hazardous Materials emergency response courses in a cost effective manner? Do you want to meet and exceed OSHA CCR 5192 (q) Hazardous Materials training requirements? Do you want to improve your agency's response capabilities at a Hazardous Materials incident? Yes - Then this 4 day Instructor Certification course is for you. By using CSTI Certified Haz Mat Outreach Instructors within your agency and having them complete the two steps below, they will receive a master set of instructional material, information and guidance to help them deliver and State Certify the CSTI Haz Mat courses in-house, per Title 19, CCR 2510-2560.

The steps are:

#1) Take the CSTI Haz Mat Course you want to teach (i.e. CSTI Haz Mat FRO or IC Course).\*

#2) Apply and complete, the Instructor Certification Course.

*\*You may take the Hazmat Instructor Certification course prior to taking the CSTI Hazmat course you are seeking certification for.*
